

UVA Health Mobile Care is coming to **INDEPENDENCE RESOURCE CENTER** 815 Cherry Avenue

Serving our Communities with Healthcare and Education

UVA Health is excited to announce a new kind of care aimed at helping our communities to stay as healthy as possible. We are committed to caring not only for patients who come into our clinics, but also for the broader community, including those with the greatest gaps in healthcare.

Access to healthcare services can help to prevent sickness and promote well-being. UVA Health Mobile Care is here to help when:

- You can't wait for an appointment with your regular provider and would like to be seen for a non-emergency situation
- You don't yet have a regular provider in a clinic and want to establish care
- You have transportation limitations and need care close to home

UVA Health Mobile Care brings routine care to your neighborhood. We offer a range of services for adults and kids so you and your family can get the care you need close to home.

Services

- General health check-ups
- Chronic disease management
- Pediatric care
- Care for minor sicknesses and injuries
- Women's health – pelvic exams and birth control
- Lab tests
- And much more

We look forward to caring for you! To schedule an appointment, call the UVA Health Mobile Care scheduling line at **434.297.7800**.

2nd and 4th Wednesdays each month | 2 pm - 6 pm

Habitat for Humanity Southwood Community Center (Near the Boys & Girls Club in Southwood)
387 Hickory Street | Charlottesville, VA
